

Walt Disney's video

1. Before watching this video about Walt Disney's life, brainstorm 5 facts that you think will come up in the video
2. Now watch the [video](#) and check if they have been mentioned. Also, make notes about other facts which you did not know or did not see in the movie.
3. Watch the video again and draw a timeline of the main events of Disney's life. If you need to pause and go back to understand the dates better, feel free to do that.
